Plate 33.- Village at North Rookery, Bering Island.

To the left the company's house; in the center the kossak's house; in the back-ground the yurts, or sod-huts, of the natives (the new village). From salt-house, August 13, 1895.

Handwritten text at the top of the page, possibly a title or description, which is mostly illegible due to fading.

Handwritten notes on the right side of the page, including the word "mit" and other illegible characters.

120

Handwritten notes at the bottom right of the page, including the number "4" and other illegible characters.

Plate 32.- Beach at North Rookery, Bering Island.

Group of natives with seal skins at the landing place waiting for the boats from the steamer.

Salt-house in the back-ground to the left.
